COUNTY NEWS. Humboldt has organized a music I

County Court was in session in Trenton Monday.

Trenton is going to try to re-organze the "Mulligan Guards."

Humboldt is trying to get up a city library. We wish her success. The News-Gazette has heard of a man in the northern part of the coununder very great disadvantages, and ty who got killed while stealing a bag of corn. He fell from the crib and good paper for you. It is larger that the corn fell on him, breaking his neck. This was retributive justice

The Gazette says a party of men recently went to a man's house; six miles west of Trenton, and prized up the house and to k ll the meat the jurors, in proportion to the time consumed in the trial of the same; t work went out to see what they provided, that the county shall not be were doing. He was warned not to interfere with them, as they would ourt him if he did. He was compelled (); the margin f your paper a dito stand by and see them take his cates that your time is out, or will exupply of m at. Wheat throughout the county is

aid to have improved very much during the past two weeks. It is now and your name will be dropped from hought the cold weather damaged it our list. We intend to publish the ittle, if at all. This is indeed encour- best paper in West Tennessee, and sging. If nothing happens, we will the more subscribers we get, the betave a large quantity of wheat to ship his year. Now, friends, plent cora nd a little of everything else to eat. Raise your own meat, too, and we will be independent.

Politifeal Complexion of the New From the New . o.k Sun.]

The Senatorisi c ntests are at an end; and as Grant has summoned the new Senate to meet on Friday, March 5th, it may be profitable to consider its political character, which, by the y, will remain unchanged till the

lose of Grant's administration. The Senate consists of seventy-four gembers, whereof thirty-eight are a aujority, and barely a quorum to do my business what ver. There are nirty-five members who may be alled Grant men, and who, it is to be resumed, will stick at nothing to arry his measures, not excepting his hird term conspiracy. And yet, to nake up the thirty-live, we have to ount such men as Oglesby, of Illiois, who is talked of for Vice P.esilent on a ticket with Blaine; and Wadleigh, of New Hampshire, who has now and then shown that he has streck of independence and manlicess in his composition; and old riannibal Hamin, who, to avert deow-"The Modern Adam and ic t his winter, pleaged himself to Blaine for 1876; and Dawes, the suc- February is as follows: L. & N. ters," both telling their stories to per cessor of Sumner, who is wont to profection. Then we have another pair test vehemently against absurd and "The Stillness of Death," both their tayor.
